

A JOURNEYMAN TAKES THE ROAD LESS TRAVELED

# RED ARROW VODKA

A clean, crisp, and smooth grain to bottle vodka distilled from 100% organic, local wheat. Red Arrow Vodka is great in cocktails, yet smooth enough to enjoy neat.

Named for the historic Red Arrow Highway which passes near our Three Oaks distillery, this spirit pays tribute to the road less traveled. Handmade from locally sourced organic wheat and water from an underground aquifer—we take no shortcuts in handcrafting this spirit.

**TASTE** BUTTER, SWEET, CREAMY AND RICH WITH RIPENED FRUIT. CLEAN AND SMOOTH ON THE PALATE.
