

A JOURNEYMAN TAKES THE ROAD LESS TRAVELED

W.R. WHITE WHISKEY

Handmade from local grains, our “white whiskey” is fertile ground for imaginative cocktails—and more. The un-aged version of our flagship Last Feather Rye, W.R. Organic White Whiskey keeps the heart cut from the spirit with almost zero tails. W.R. Whiskey is dedicated to the original journeymen: Owner/Founder Bill Welter’s grandfather, William, and his father, Chuck. With this whiskey we pay tribute to risk-takers and entrepreneurs—anyone who’s taken a chance in life, big or small, win or lose. We salute all the journeymen that came before us.
