GATHER TOGETHER

Join us as we **pay tribute to the history of this American Factory Building**; the people that gathered here over the past 150+ years working to make a living, feed a family, and find pride and inspiration in daily work, all in pursuit of the American Dream.

As you look around the room, know that **this place's history is worth preserving** and that it was done with the ingenuity of Northwest Indiana union workers with American-made products. **The bar is made from American white oak representing the charred whiskey barrel. The light fixtures represent the spark of the weld.** The menu includes Journeyman-made spirits, Sea of Monsters beer and food representative of our Midwest culture. As you **gather and enjoy your food and drink**, remember those that preceded us at the American Factory.

To take a tour of the American Factory, visit [journeyman.com/tours](https://www.journeyman.com/tours) to schedule. All ages are welcome. For those of you who are of legal drinking age, all tours end with a tasting of our craft spirits!

NEXT STOP: THREE OAKS, MI

A little less than 50 miles further along the lake, is the **Featherbone Factory**. Since 2010, our historically-revived original factory has been the home of our journey as one of **America's true craft whiskey distilleries**. The town of Three Oaks, another Midwest gem, welcomes you with one-of-a-kind shops, galleries, and entertainment, notably our next-door neighbor, the Acorn Theater.

JOURNEYMAN

Journeyman at the Featherbone Factory boasts a whole different experience. **Our 30,000 sq ft, 18-hole putting green, Welter's Folly**, is a guest favorite. Tours & Tastings are offered daily, and **Staymaker restaurant** serves a menu all its own. Take a drive - we'd love to show you the place!

We recommend the back roads; the roads less taken.
